

## Building the Recovery Information Session – Richmond Valley

### *How to get your business involved in Government projects*

The Department of Education, Employment and Workplace Relations in conjunction with Group Training Australia is hosting a series of information sessions to help your business participate in government and private sector building and infrastructure projects.

**These sessions are part of the Australian Government's *Keep Australia Working* initiative.**

You are invited to join others from the building and engineering sectors to hear about:

- Government and private sector building and construction projects occurring in your area
- How local business, tradespeople and suppliers can participate and tender for government contracts
- Who can help you win work and grow your business

These sessions will provide you with details on government funded and private sector construction and infrastructure projects throughout the state and how to get involved.

#### **Session details:**

Casino– 7 June from 3.30 pm to 6:00 pm at the Casino RSM Club, Casino

#### **Please register for the session online at:**
